ARTICLE 4. STEWARDS

The Employer recognizes the right of the Local Union to designate Job Stewards and alternates from the Employer's seniority list. The authority of Job Stewards and alternates so designated by the Local Union shall be limited to, and shall not exceed, the following duties and activities:

- (a) The investigation and presentation of grievances with the Employer or the designated company representative in accordance with the provisions of the collective bargaining agreement:
- (b) The collection of dues when authorized by appropriate Local Union action; and
- (c) The transmission of such messages and information, which shall originate with, and are authorized by the Local Union or its officers, provided such messages and information:
 - (1) have been reduced to writing; or
 - (2) if not reduced to writing, are of a routine nature and do not involve work stoppages, slowdowns, refusal to handle goods, or any other interference with the Employer's business.

Job Stewards and alternates have no authority to take strike action or any other action interrupting the Employer's business, except as authorized by official action of the Local Union. The Employer recognizes these limitations upon the authorized Job Stewards and their alternates, and shall not hold the Union liable for any unauthorized acts. The Employer in so recognizing such limitations shall have the authority to impose proper, nondiscriminatory discipline, including discharge. However, in the event the Job Steward or the designated alternate has led, or instigated or encouraged unauthorized strike action, slowdown or work stoppages in violation of this Agreement he/she may be singled out for more serious discipline, up to and including discharge. Stewards and/or alternate stewards shall not be subject to discipline for performing any of the duties within the scope of their authority as defined in this Section, in the manner permitted by this Section.

Recognizing the importance of the role of the Union Steward in resolving problems or disputes between the Employer and its employees, the Employer reaffirms its commitment to the active involvement of union stewards in such processes in accordance with the terms of this Article.

The Job Steward or the designated alternate shall be permitted reasonable time to investigate, present and process grievances on the Company's property without interruption of the Employer's operation. Upon

notification to his or her supervisor, a steward shall be afforded the right to leave his/her work area for a reasonable period of time to investigate, present and process grievances and to represent a fellow employee concerning grievances or discipline so long as such activity does not interrupt the Employer's operations. **This shall include the steward's right to represent an employee in connection with any grievance concerning safety issues.** The Employer will make a reasonable effort to insure that its operations are not interrupted by the steward's engaging in such activity. The Employer shall not use interruption of its operation as a subterfuge for denying such right to the steward.

Where mutually agreed to by the Local Union and Employer, stewards may investigate off the property or other than during their regular schedule, without loss of time or pay. Stewards will be paid for time spent in meetings under this Article which occur during the steward's regular working hours. Stewards shall also be paid for time spent in meetings which occur outside his or her working hours, or on days off, by mutual consent. Such time spent during the Job Steward's or the designated alternate's regular working hours shall be considered working hours in computing daily and/or weekly overtime if within the regular schedule of the Job Steward or the designated alternate.

The Employer recognizes the employee's right to be given requested representation by a Steward, or the designated alternate, at such time as the employee reasonably contemplates disciplinary action. The Employer also recognizes the steward's right to be given requested representation by another Steward, or the designated alternate, at such time as the Steward reasonably contemplates disciplinary action. When requested by the Union or the employee, there shall be a steward present whenever the Employer meets with an employee concerning grievances or discipline or investigatory interviews. In such cases, the meeting shall not be continued until the steward or alternate steward is present.

If an employee does not wish to have a Union Steward in any meeting where the employee has a right to Union representation under this Article, the employee shall sign a waiver of Union representation, a copy of which shall be furnished to the Union upon its request.

If requested by the Local Union, the designated Stewards will be provided with copies of all warning, suspension and discharge letters. If a supplement has no provision allowing a Local Union to request documents/information with regard to pending grievances, the following shall be incorporated into the Supplement: "The Employer shall, upon written request, provide the Local Union or the steward designated by the Local Union, with documents/information that is reasonably related (based on NLRA standards) to the pending grievance."

Job Stewards, or designated alternates, shall be allowed to wear an identifying steward's badge, provided by the Union, at all times while on the Employer's premises.

ARTICLE 6.

Section 1. Extra Contract Agreements

Except as may be otherwise provided in this Agreement, the Employer agrees not to enter into, or attempt to enter into, any agreement or contract with its employees, either individually or collectively, or to require or attempt to require employees to sign any document, either individually or collectively, which in any way conflicts with the provisions of this Agreement. Any such Agreement or document shall be null and void. Any such agreement or document may not be placed in an employee's file or used by the Employer as a basis for discipline or used in connection with any disciplinary proceeding, nor may any such agreement or document nor the contents thereof be divulged to any person or entity.

In addition, the Company will not discipline an employee for refusing to sign any Company form related to the principle of a fair day's work unless the signing is required by law or by this Agreement.

Section 4. Technological Change

1. Technological change shall be defined as any significant change in equipment or materials which results in a significant change in the work of the bargaining unit or diminishes the number of workers in the bargaining unit.
2. The Employer and the Union agree to establish a National Teamster/UPS Committee for Technological Change, consisting of an equal number of representatives from the Union and UPS. The Committee shall meet in conjunction with the National Grievance Panel as necessary to review any planned technological changes covered by this Section.
3. The Employer will advise the affected Local Unions and the National Teamster/UPS Committee for Technological Change of any proposed technological changes at least six (6) months prior to the implementation of such change except where the change was later determined in which case the Employer shall provide as much notice as possible
4. The Employer shall be required to provide ~~the Local Union or~~ the National Teamster/UPS Committee for Technological Change, ~~upon written request~~, any relevant information to the extent available regarding the technological changes.
5. The Employer will meet with the Local Union, or, if requested, the National Teamster/UPS Committee for Technological Change, promptly after notification to negotiate regarding the effects of the proposed technological changes.

If a technological change creates new work that replaces, enhances or modifies bargaining unit work, bargaining unit employees will perform that new or modified work. The Employer shall provide bargaining unit employees with training required to utilize the new technology, if necessary.

6. In the event that the Local Union and Employer cannot reach an agreement on effects, the matter shall be referred to the National Teamster/UPS Committee for Technological Change.

7. In the event that the National Committee cannot reach agreement on the dispute, either party may refer all outstanding disputes to the National Grievance Committee for resolution in accordance with the provisions of Article 8 in order to determine if the Employer has violated the provisions of this Section or if the change will result in a violation of any other provision of the collective bargaining agreement.

~~8. No employee shall be discharged on a first offense if such discharge is based solely upon information received from GPS or any successor system unless he/she engages in dishonesty (defined for the purposes of this paragraph as any act or omission by an employee where he/she intends to defraud the Company). The degree of discipline dealing with off-area offenses shall not be changed because of the use of GPS.~~

Section 6. Technology and Discipline

No employee shall be discharged if such discharge is based solely upon information received from GPS or any successor system unless he/she engages in dishonesty (defined for the purposes of this paragraph as any intentional act or omission by an employee where he/she intends to defraud the Company). The Company must confirm by direct observation or other corroborating evidence any other violations warranting discharge. The degree of discipline dealing with off-area offenses shall not be changed because of the use of GPS.

The Company acknowledges that there have been problems with the utilization of technology in the past.

Therefore, at the request of the Union's Joint National Negotiating Committee Co-Chair a meeting will be scheduled with the Company Co-Chair to discuss any alleged misuse of technology for disciplinary purposes and what steps are necessary to remedy any misuse.

ARTICLE 8. NATIONAL GRIEVANCE PROCEDURE

Section 1.

All grievances and/or questions of interpretation arising under the provisions of this National Master Agreement shall be resolved in the following manner:

Deadlocked cases involving only National Master language may be submitted to the National Master Panel for decisions. Those deadlocked cases which cannot be decided by a lower panel because of disagreement over the interpretation of National Master language may be submitted to the Master Panel for interpretation. Requests for interpretations with no factual case to be decided will be heard by the Master Panel by mutual agreement of the Co-Chairpersons. Interpretations rendered on factual cases by the National Grievance Committee will be sent back to the lower panel to be used to resolve the factual case.

The Committee shall be composed of an equal number of Employer and Union representatives. The National Grievance Committee shall meet upon call of the Chairman of either the Employer or Union representatives on the National Grievance Committee. The National Grievance Committee shall adopt rules of procedure which may include the reference of disputed matters to subcommittees for investigation and report with the final decision or approval, however, to be made by the National Grievance Committee. If the National Grievance Committee resolves any dispute by a majority vote of those present and voting, such decision shall be final and binding upon all parties.

When a case is docketed with the National Grievance Panel, a twenty-five dollar (\$25.00) docketing fee will be applied as specified in the National Master UPS Agreement Rules of Procedure.

ARTICLE 12. POLYGRAPH /TIMECLOCKS

No applicant for employment and no employee will be required to take any form of a lie detector test as a condition of employment.

Upon request, an employee or the Union may inspect the record of an employee's time recorded on the DIAD or other device for previous days' work. An employee will be permitted to examine the operation record for the current pay period for the purpose of ascertaining his/her hours worked. If an employee has an issue with his/her hours worked for a particular day, the Employer will provide the employee, upon written request, with a print out of his/her hours worked.

The Employer shall not alter the information from the DIAD board, or information recorded through the use of any other technology, so as to diminish an employee's compensable time, without the employee's knowledge. Further, the Employer shall post for an employee's review, a copy of the PTE edits for each day. No supervisor shall use a DIAD, or any other information recorded through the use of any other technology, under the name of an hourly employee unless the employee is present. This includes for the purpose of training and demonstration.

Employees will not be responsible for any work performed by another employee using any electronic device under their name.

The Employer agrees to provide forms for the employee to record his/her starting and ending times.

When requested by the Union, time clocks will be left in place for employees to record their work hours for their own personal use.

ARTICLE 14. COMPENSATION CLAIMS

Section 1.

When an injury is reported the reference number will be given to the employee and when requested, a copy of the injury report will be furnished to the employee within two (2) working days of such request. A copy of the injury report will also be furnished to the Local Union if requested by a Local Union official.

The Employer agrees to cooperate toward the prompt disposition of employee on-the-job injury claims. No employee will be disciplined or threatened with discipline as a result of filing an on-the-job injury report. The Employer or its designee shall not visit an injured worker at his/her home, without his/her consent.

The Employer shall provide the Union Co-chair of the National Safety and Health Committee with current summaries of the essential functions of all positions covered by this Agreement. The Union shall have the right to challenge any such summary through the applicable grievance procedure. Any employee who is adversely affected by any such summary shall have the right to challenge such summary through the applicable grievance procedure.

Any such decisions or settlements rendered through the grievance procedure, including but not limited to, at arbitration, shall be based solely upon, and applicable to, the facts present in that individual case and shall have no precedential effect beyond that case. This stipulation is limited to cases involving or referencing essential job functions.

The Employer shall provide Worker's Compensation protection for all employees even though not required by state law or the equivalent thereof if the injury arose out of or in the course of employment.

An employee who is injured on the job, and is sent home, or to a hospital, or who must obtain medical attention, shall receive pay at the applicable hourly rate for the balance of his/her regular shift on that day. Upon receiving an employee's timely report of injury, the Employer shall not pressure an employee to continue to work. When, because of such pressure, an employee spends time in a clinic after his or her normal finish time, the time spent shall be the subject of a pay claim through the grievance procedure.

An employee who has returned to regular duties after sustaining a compensable injury, and who is required by the Worker's Compensation doctor to receive additional medical treatment during the employee's regularly scheduled working hours, shall receive the employee's regular hourly rate of pay for such time.

The Employer agrees to provide any employee injured locally immediate transportation, at the time of injury, from the job to the nearest appropriate medical facility and return to the job, or to the employee's home, if required. In such cases, no representative of the Employer shall be permitted to accompany the injured worker while he/she is receiving medical treatment and/or being examined by the medical provider, without the employee's consent. In the event that any employee sustains an occupational illness or injury while on a run away from the home terminal, the Employer shall obtain medical treatment for the employee, if necessary, and, thereafter, will provide transportation by bus, train, plane or automobile to the employee's home terminal, if and when directed by a doctor.

An employee that has a change in his/her medical duty status shall report that change to the Employer.

In the event of a fatality, arising in the course of employment while away from the home terminal, the Employer shall return the deceased to the home of the deceased at the point of domicile.

Section 2. Temporary Alternate Work

The Company may continue a modified work program on a nondiscriminatory basis. This program is designed to provide temporary work opportunity to those employees who are unable to perform their normal work assignments due to an on-the-job injury. Employees shall be provided their guaranteed hours with a start time no more than two (2) hours earlier or two (2) hours later than their normal start time for the duration of TAW, provided the work is available. The Company will make reasonable efforts to ensure that the assignment is within this window. These guaranteed hours will be reduced as medical restrictions dictate. Pay rates for TAW assignments will be ~~as per the appropriate Supplement, Rider, Addendum, or area practice~~ **at the employee's regular rate of pay.**

The Employer will develop a list of possible TAW assignments by location. It is understood that this list may not be all-inclusive and management maintains the right to determine the availability and designation of all TAW assignments. The Employer shall provide the names and assignments of employees on TAW upon the Local Union's request.

In areas that have existing TAW programs providing better employee benefits and protections than guaranteed by this Article, such protections and benefits will not be diminished by this Article.

Any such program that has been, or is in effect, as of the effective date of this Agreement, shall be reduced to writing, a copy of which must be submitted to the National Safety and Health Committee and the affected Local Union. If either party wants to include non-work related injuries or illnesses under the TAW program the parties will meet and agree upon such amendment. The Employer shall also meet with the Local Union upon request to discuss any changes the Local Union may propose in the TAW program. Any unresolved issues will be referred to the National Safety and Health Grievance Committee for resolution.

Section 3. Permanently Disabled Employees

The Parties agree to abide by the provisions of the Americans with Disabilities Act. The Company shall be required to negotiate with the Local Union prior to providing a reasonable accommodation to a qualified bargaining unit employee.

The Company shall make a good faith effort to comply in a timely manner with requests for a reasonable accommodation because of a permanent disability. Any grievance concerning the accommodation not resolved at the center level hearing will be referred to the appropriate Union and Company co-chairs for the Local Area or to the Region Grievance Committee, if applicable. If not resolved at that level within ten (10) days, the grievance shall be submitted directly to the National Safety and Health Grievance Committee.

If the Company claims that the individual does not fall within the protections of the Americans with Disabilities Act, then the grievance must follow the normal grievance procedure in order to resolve that issue before it can be docketed with the National Safety and Health Committee.

Any claim in dispute concerning rights under this Section shall be addressed under the grievance and arbitration procedures of this Agreement. A grievance may be filed by an employee or the Union, notwithstanding any contrary provision in any Supplement, Rider or Addendum. The submission of a claim under this Section to the grievance and arbitration procedures of the Agreement shall not prohibit or impede an employee or the Union from pursuing their statutory rights under the Americans with Disabilities Act (ADA) or comparable state or local laws.

The parties agree that appropriate accommodations under this Section are to be determined on a case-by-case basis.

If a full-time employee cannot be reasonably accommodated in a full-time job, the Company may offer a part-time job as a reasonable accommodation if the employee is qualified and meets the essential functions of the job. If the employee accepts the part-time accommodation, the employee will be placed into the applicable part-time health & welfare and pension programs, will be paid the appropriate part-time rate for the job performed based on his company seniority, and will receive the part-time contractual entitlements as per the appropriate Supplement, Rider, or Addendum using his Company seniority date. This placement will not prohibit the employee from bidding on future full-time jobs for which he is qualified and meets the essential functions of the job. Should the employee not accept the part-time reasonable accommodation, he shall be allowed to be inactive for three (3) years. During those three (3) years, he shall have the ability to return to his job should he become able to perform the essential functions of the job with or without a reasonable accommodation; have the ability to bid on openings as his seniority allows, providing he can perform the essential functions of that job; and have the ability to accept the part-time accommodation referenced above. After three (3) years, his seniority shall be considered broken. Said employee shall be entitled to receive long term disability and workers' compensation in accordance with the terms of the applicable plan.

Section 3.1

Pursuant to Article 22.3 and Article 37 and notwithstanding language in the Supplements, Riders or Addenda, the Employer and the Union agree to meet and discuss certain full-time positions that may be filled by employees who can no longer perform their assigned job. When full-time openings occur, these employees will be given the opportunity to fill the opening prior to the Employer hiring from the outside. The employee must be physically fit and qualified to perform the new job. The employee placed in the opening will be paid the rate for the job based upon the employee's seniority.

ARTICLE 15. MILITARY CLAUSE

The treatment of unused vacation and the scheduling of the vacation shall be in accordance with the applicable Supplement, Rider or Addendum.

While on such leave, the employee shall not receive any of the benefits provided by this Agreement, Supplements, Riders and/or Addenda, except the continued accrual of seniority.

All employees must receive their vacation pay in a separate check before taking vacation. Vacation checks for an employee, who is taking a properly scheduled vacation in accordance with the applicable Supplement, Rider or Addendum, will be at the operating center on Monday of the week prior to the employee's vacation week(s). This is to ensure that the employee receives his/her pay prior to taking his/her vacation. The employee will be shown his/her check upon request, but will not receive the check until the regular scheduled pay day.

Section 8.1 Distracted Drivers

The Employer and Union recognize that there are various federal, state and local statutes, regulations and ordinances on the use of handheld devices while a commercial motor vehicle is in motion. In the interest of the safety of our drivers and the general public, drivers must comply with the applicable restrictions. The Employer will use its best efforts to educate drivers on the restrictions applicable in

each geographic area.

Section 8.2 Non-Driving Employees

The use of handheld devices by non-driving employees will be with the approval of the Employer.

Section 13. Exhaust Systems

Section 18. Vehicle and Personal Safety Equipment

All automotive vehicles shall be equipped with a manufacturer certified seat belt restraint system. Jump seats shall be equipped with a safety belt. Three-point shoulder harness safety belts shall be provided on the driver's side of all new vehicles, and on the jump seat for all new P-32 through P-120 vehicles and all new 24-foot vans. Section 20. National UPS/IBT Safety and Health Committee

Section 20.1 National UPS/IBT Safety and Health Committee - Safety, Health and Equipment Issues

The Employer and the Union shall maintain a National UPS/IBT Safety and Health Committee. The Committee shall be governed by the terms of this Agreement and by an agreed to set of rules of procedure.

It is the responsibility of the Committee to provide guidance and recommendations on all factual issues, involving safety and health (including ergonomic issues) and equipment, affecting employees covered by the National Master United Parcel Service Agreement. The Committee is also charged with the responsibility to review and approve the development and implementation of the CHSP. At the discretion of the chairmen, it may also consider any subject pertaining to the safety and health of the employees covered by this Agreement which it deems significant. Such Committee shall convene on a regular basis, with an agenda to be agreed to by the respective chairmen.

As agreed by the chairmen, the Committee may establish such subcommittees as it deems necessary to address matters affecting safety and health.

Section 20.2 - National UPS/IBT Safety and Health Grievance Committee

The Committee shall also serve as the National UPS/IBT Safety and Health Grievance Committee. All interpretations and grievances, of a factual nature, arising under but not limited to Articles 18 and 35 of the National Master UPS Agreement shall be heard by the Committee, pursuant to Article 8, of the National Master UPS Agreement, and the rules of the National Grievance Committee.

Decisions of this Committee shall be final and binding on all parties. Cases that are deadlocked by the

Committee, unless called to the National Grievance Committee by mutual agreement of the National Chairpersons, may proceed to arbitration.

The Committee shall meet in conjunction with the National Grievance Panel to resolve all cases on its agenda.

Section 20.3 Climatic Conditions Committee

The National UPS/IBT Safety and Health Committee is also responsible for the Climatic Conditions Committee, formulated to review severe climatic conditions that may seriously affect employees in different geographic areas.

The Committee shall have the authority to resolve factual issues before it and its decision will be final and binding. Cases that are deadlocked by the Committee shall be referred to the National Grievance Committee.

Section 20.4 Safety and Health Committees

There shall be Safety and Health Committees to cover all full-time and part-time employees. There shall be one (1) committee per Center unless the number of employees and/or job classifications within a center dictate the establishment of more than one (1) committee. The respective committees will be comprised of a mutually agreed to number of bargaining unit representatives and up to an equal number of management representatives.

Recognizing the importance of the role of the Safety and Health Committees in resolving the issues of safety, the Employer and the Union reaffirm their commitment to the active involvement of the Committees in such processes, in accordance with the terms of this Article.

~~Bargaining unit members who seek to serve on the Safety and Health Committee may volunteer to do so, with approval of the Local Union.~~ **The Local Union shall approve the bargaining unit members who serve on these Committees.** The Union co-chair of the committee(s) shall be selected by the bargaining unit members of the committee. **In the event that a Local Union desires to cease participation in the safety committees, prior approval must be authorized by the Union Co-Chair of the Teamsters United Parcel Service National Negotiating Committee who shall also inform the Employer's President of Labor Relations of the request.**

Bargaining unit members may not perform Safety Committee observations of fellow bargaining unit members that can be interpreted as being a management role. Safety Committee observations shall only be performed to further the purposes of that Committee as defined in this section and to promote a safer work environment. Activities will be reviewed with the Local Union. Under no circumstances can the results of a Safety Committee observation be used in any level of discipline, nor reference any individual bargaining unit member.

Each committee shall meet at least once each month at a mutually agreeable time and place. The Employer shall provide committee members with adequate time to perform committee functions, as described in paragraphs 1 through 7 below.

Each committee shall perform functions including, but not limited to:

1. Creating sub-committees, on an as needed basis, to investigate specific issues of safety and health concern. These committees shall report to the full committee.
2. Developing and maintaining minutes for all meetings, with copies to all committee members and posted on designated safety bulletin boards.
3. Conducting periodic inspections of the facility to ensure that there is a safe, healthful and sanitary working environment in each center.

4. Accompanying governmental, union, and/or Company health and safety professionals on facility inspection tours. The Employer may limit the number of bargaining unit members of the committee accompanying such an inspection tour.
5. Receiving information pertaining to lost workday injury/accident causes and review results of the investigation of such injuries/accidents.
6. Receiving copies of the center's OSHA Illness and Injury logs and the facility's man-hours.
7. Receiving the Company sponsored training to enable committee members to effectively perform their respective functions as safety and health committee members.

Any information provided to a CHSP committee will not be shared outside the committee without the Employer's consent.

If the committee is unable to resolve a safety and health concern and all steps of the Comprehensive Health and Safety Process (CHSP) have been exhausted, the issue will be subject to the grievance procedure.

ARTICLE 22. PART-TIME EMPLOYEES

Section 3.

The parties agree that providing part-time employees the opportunity to become full-time employees is a priority of this Agreement. Accordingly, the Employer commits that during the life of this Agreement, it will offer part-time employees the opportunity to fill at least twenty thousand (20,000) permanent full-time job openings throughout its operations covered by this Agreement.

This commitment shall include the obligation to create at least twenty-three hundred and fifty (2350) new full-time jobs from existing part-time jobs during the first three (3) years of this Agreement throughout its operations covered by this Agreement; five hundred (500) in each of the first two contract years and thirteen hundred fifty (1350) in the third year of this Agreement. In creating these jobs, the Company shall be allowed up to one and one half (1.5) hour gap between jobs in a workday notwithstanding any provision in any Supplement, Rider or Addendum that is more limiting. Any disagreements will be referred to the Chairs of the National Negotiating Committee for resolution.

The number of full-time jobs created under Article 22, Section 3 of the 1997-2002 and the 2002-2008 Agreements shall not be reduced. Within sixty (60) days of the ratification of this Agreement the Employer shall provide the International Teamsters Union a report detailing and identifying the full-time jobs which will need to be maintained pursuant to this paragraph.

Sections 5. Wages

All part-time employees who have attained seniority as of August 1, 2008 **13** will receive the following general wage increases for each contract year. **In the first three (3) years of the contract, the increase will be effective on August 1st.** In **2016 and 2017** ~~each of the years~~, the increase shall be paid in two (2) equal installments. The first half of the increase shall become effective on August 1 of the specified year. The second half of the increase shall become effective on February 1 of the following calendar year. The total wage increase for each year will be as follows:

2017	one dollar (\$1.00)

Part-time employees still in progression on August 1, 2008 **13** shall receive the above contractual increases and will be paid no less than what they are entitled to in accordance with the wage schedules in Article 22, Section 5 (b) below. ~~Between the date of ratification and August 1, 2008 part-time employees will continue to be paid in accordance with the progression contained in the prior Agreement.~~ The progression set forth in (b) below shall be applied effective August 1, 2008 **2013**.

(c) The wage rates and increases provided in (a) and (b) shall be a minimum.

(d) All part-time employees governed by this Article shall be provided a minimum daily three and one-half (3-1/2) hour guarantee.

ARTICLE 26. COMPETITION

The Union recognizes that the Employer is in direct competition with the United States Postal Service and other firms engaging in the distribution of express letter, parcel express, parcel delivery, and freight, both air and surface. In order to meet that competition and thereby protect and, if possible, increase the number of bargaining unit jobs, it is agreed that any provisions in this Agreement to the contrary notwithstanding, the Employer:

(a) may use substitute means of transportation (such as airplane, helicopter, ship or T.O.F.C.) in its operations; provided, however, that no feeder driver with more than three (3) years of seniority in the feeder driver classification will be laid off or displaced from a feeder classification as a result of a run being placed on the rail.

However, the Employer shall not be required to remove loads from the rail to provide work for employees whose ground loads were eliminated or temporarily discontinued. Any claimed abuse of this Section by any of the Local Unions shall be subject to immediate review by the National Grievance Committee.

Merchandise that has been tendered by United Parcel Service to the railroad and moved by T.O.F.C. will not subsequently be moved by the railroad, on the ground, to its final destination. Any exception to the above language will be in cases of an emergency or cases where the railroad must ground the merchandise early to meet the company's service commitment. In these cases, every effort will be made to use UPS employees.

In order to expand the work opportunities for members of the bargaining unit, the Employer will consider removing additional loads from the railroad or the other substitute means of transportation specified in this Article. When the Employer removes loads on other than a temporary basis, it shall notify the Union of the number of new runs to be created as a result of moving such loads on the ground. The Employer and the Union shall agree on the most expeditious method to obtain additional personnel and/or equipment, if necessary, for the new runs to be operated by bargaining unit members. If the equipment or employees are not available, the Employer may use subcontractors for a reasonable start-up period, not to exceed thirty (30) days. The subcontracting can exceed thirty (30) days with the Union's agreement if there are problems obtaining additional personnel or equipment. Agreement under this paragraph will not be unreasonably denied by the Union. All feeder positions created as a result of returning loads to the ground shall be counted toward the Employer's obligation to create full-time jobs under Article 22.3 of this Agreement.

Bargaining unit employees will move scheduled T.O.F.C. loads from the rail yards to UPS locations except during peak season.

During peak season, the Employer will make every reasonable effort, in accordance with the appropriate Supplement, Rider or Addendum, to use current UPS employees and hire a sufficient number of employees to handle peak volume. After doing so, the Employer may use alternate means of transporting packages during peak season and will utilize union carriers whenever possible. Plans to utilize outside carriers will be reviewed and agreed with the Local Union. Such agreement will not be unreasonably withheld.

UPS shall provide its plan to the affected Local Union by October 15th of each year. This shall not preclude UPS from making subsequent alterations to the plan which shall also be reviewed with the Union.

(b) may drop loaded or empty trailers at locations designated by it, its customers or consignees for customer or consignee loading or unloading. It is understood that customers and consignees will not move trailers for loading and/or unloading other than on their premises. It is further understood that dropping and picking up these trailers shall be done by members of the bargaining unit.

(c) All loading and unloading of dropped shipments at UPS locations will be done by UPS bargaining unit employees.

Section 2.

A Joint UPS/IBT Competition Committee shall be created with an equal number of Employer and Union representatives. The Committee shall meet upon written request by either party for the purpose of discussing and evaluating proposals which, if adopted by the Committee, could create additional bargaining unit jobs, enable the Employer to more effectively compete with other companies, implement new services and products, or change existing services. Nothing within this provision or Agreement shall require the Employer to offer or maintain any particular service or product.

In addition, the Joint UPS/IBT Competition Committee shall have the authority to review line haul runs that may be proposed by UPS Freight to create a two way run. UPS and the Union also agree to review and approve proposed runs that may be inclusive of runs currently being performed by vendors. In the event the parties do not agree, the runs shall not be implemented.

Section 3.

Notwithstanding any other provision of the Agreement or any Supplement, Rider or Addendum, only the Local Union with jurisdiction in the geographic area in which a subcontracted feeder movement originates or the Teamsters United Parcel Service National Negotiating Committee in its own name shall have the right to file or pursue a grievance alleging that the movement is a contractual violation.

Section 4 – Surepost

1) In order to retain existing commercial customers that are solicited by a competitor offering services similar to those described herein, or to attract new commercial customers, the Company may offer service contracts that include the delivery of packages by the USPS. Packages eligible for such delivery will normally be less than ten (10) pounds in weight and less than three (3) cubic feet in size, in accordance with paragraph (2) below. Further, UPS agrees that the Surepost will not be presented as a general service offering. This service will only be offered for shipping from a business to a residential customer. The Company agrees that it will not use Surepost as a basis to diminish the size of the bargaining unit.

2) The Company will continue to use and develop technology that identifies two or more Surepost packages to be delivered to the same address and/or any combination of Surepost package(s) and ground package(s) to be delivered to the same address. In such circumstances, all of the Surepost package(s) and ground package(s) will be delivered by package drivers. The Company will implement, when available, technology that identifies multiple addresses in close proximity to which any combination of Surepost and ground packages are to be delivered. Within 120 days of the effective date of this Agreement, the Company shall also develop technology that identifies oversized (greater than three (3) cubic feet) or overweight packages. Once such technology is operational, all Surepost packages exceeding ten (10) pounds or with dimensions greater than three (3) cubic feet, will be delivered by package drivers.

3) The Joint UPS/IBT Competition Committee will meet on a quarterly basis to review the progress of this service and discuss potential technological enhancements that will allow Surepost volume to be placed back in the UPS system for final mile delivery. Any issues or disputes related to the Surepost service that cannot be resolved by the Competition Committee shall be referred directly to the Chairs of the Union and the UPS National Negotiating Committees for discussion and resolution.

ARTICLE 29.

Section 1. Jury Duty

When a seniority employee is called for jury duty service, he/she shall be excused from his/her regular duties on the days he/she is required to appear in court or comply with jury rules that prevent him/her from reporting for work. For any regularly scheduled workday in which time off for such jury service is granted, the full-time employee shall be paid his/her guarantee and the part-time employee shall receive four (4) hours' pay at his/her straight-time hourly rate, less any amount received as a jury duty fee if such fees are defined as wages under applicable laws. The employee shall be required, however, to turn over to the Employer adequate proof of his/her jury duty service and compensation, if any, in order to receive the compensation above provided.

Employees who are scheduled to work a day shift shall not be required to report for work on any day he/she is required to report for jury duty unless released from jury duty not less than six (6) hours prior to the end of his/her regularly scheduled shift, in which event he/she will be allowed two (2) hours from the time he/she is released from jury duty to report and work the remainder of his/her regularly scheduled shift.

Employees scheduled to work any shift other than the day shift shall not be required to report to work on any day he/she is required to report for jury duty unless he/she has been released from jury duty not less than four (4) hours

prior to the start time of his/her regular shift and provided further he/she would complete such shift not less than ten (10) hours prior to the time he/she is required to report for jury duty the next/following day. Notwithstanding the above, no employee, working other than a day shift, will be required to report to work on a night shift if he or she has served jury duty that day and that service prevents him or her from reporting for work. **An employee's schedule will be adjusted by the Employer when possible to avoid a situation in which the employee otherwise misses more than one day of work for any day of jury duty.**

In the event an employee returns to work after being released from jury duty and works beyond his/her regularly scheduled work day such hours worked shall be compensated for at the applicable over-time rate of pay.

An employee who is required to report for jury duty during a week of previously scheduled vacation may select another available week of vacation.

Time spent on jury duty service will be considered time worked for purposes of Employer contributions to health & welfare and pension plans, vacation eligibility and payment, holidays and seniority, in accordance with the applicable provisions of the Supplemental Agreements, Riders and Addenda.

The language contained in this Article will supersede any provision in any Supplement, Rider or Addendum.

ARTICLE 33. COST-OF-LIVING (COLA)

All seniority employees who have completed their appropriate wage progression schedule shall be covered by the provisions of a cost-of-living allowance, as set forth in this Agreement.

Employees who have not completed their appropriate wage progression on the effective date of a COLA increase, shall receive the adjustment on a prospective basis on the date they complete their wage progression schedules.

The amount of the cost-of-living allowance shall be determined as provided below on the basis of the "Consumer Price Index for Urban Wage Earners and Clerical Workers, CPI-W (Revised Series using 1982-1984 Expenditure Patterns), All Items (1982-84 = 100), published by the Bureau of Labor Statistics, U.S. Department of Labor" and referred to herein as the "Index".

Effective August 1, 2009 **14** and every August 1 thereafter during the life of the Agreement, a cost-of-living allowance will be calculated on the basis of the difference between the Index for May 2009 **14** (published June 2009 **14**) and every May thereafter, and the base Index for May 2008 **13** (published June 2008 **13**) and every May thereafter, as follows:

For every two tenths (0.2) point increase in the Index, over and above the base (prior year's) Index plus three percent (3.0%) there will be a one (1) cent increase in the hourly wage rates payable on August 1, 2009 **14** and every August 1 thereafter. These increases shall only be payable if they equal five cents (\$.05) in a year.

All cost-of-living allowances paid under this Agreement will become and remain a fixed part of the base wage rate for all job classifications. A decline in the Index shall not result in the reduction of classification base wage rates.

Mileage paid employees will receive cost-of-living allowances on the basis of .25 mills per mile for each one (1) cent increase in hourly wages, subject to the threshold set forth above.

In the event the appropriate Index figure is not issued before the effective date of the cost-of-living adjustment, the cost-of-living adjustment that is required will be made at the beginning of the first (1st) pay period after the receipt of the Index.

In the event that the Index shall be revised or discontinued and in the event the Bureau of Labor Statistics, U.S. Department of Labor, does not issue information which would enable the Employer and the Union to know what the Index would have been had it not been revised or discontinued, then the Employer and the Union will meet,

negotiate, and agree upon an appropriate substitute for the Index. Upon the failure of the parties to agree within sixty (60) days, thereafter, the issue of an appropriate substitute shall be submitted to an arbitrator for determination. The arbitrator's decision shall be final and binding.

ARTICLE 34. HEALTH & WELFARE AND PENSION

Section 1.

(a)(i) Except as set forth in this Section **1(a)**, Health & Welfare and/or pension contributions shall be increased by forty dollars (\$40.00) per week on August 1, 2008 **2013** and on each subsequent August 1st during the life of the contract. Where the employees are covered by both Teamster Health & Welfare and Pension Funds in a Supplement, Rider or Addendum, the weekly health & welfare and pension contributions shall be allocated by the respective Joint Supplemental Area Negotiating Committees, subject to the approval of the Joint National Negotiating Committee.

(ii)(1) In those Supplements, Riders or Addenda, where ~~the full-time~~ some of the employees are covered by a ~~Teamster Health and Welfare Plan and some of the employees are covered by the Company Health and Welfare Plan,~~ the Central States Health & Welfare Plan the amount of money set forth in Section 1(a) above to be allocated for Health & Welfare for these full-time employees shall be as follows:

August 1, 2013 - fifty cents (\$0.50)

August 1, 2014 – fifty cents (\$0.50)

August 1, 2015 – fifty cents (\$0.50)

August 1, 2016 – (TBD based on Central States' cost)

August 1, 2017 – (TBD based on Central States' cost)

2) For years 2013 through 2015, the remaining fifty cents (\$0.50) will be allocated to the applicable Taft - Hartley Pension Plan or the UPS/IBT Pension Plan, as applicable. The health and welfare contribution increases in 2016 and 2017 will be based on Central States actual costs. In those two years, the applicable Taft-Hartley Pension Plan or the UPS/IBT Pension Plan, as applicable, will receive for a pension allocation the differential between the increase to Central States Health & Welfare Plan (CS H&W) and one dollar (\$1.00).

(iii) For those part-time employees who will be transitioning from a UPS sponsored medical plan to the Central States Health & Welfare Plan, the allocation for years 2013 through 2015 shall be fifty cents (\$0.50) to UPS for health and welfare coverage. Fifty cents (\$0.50) shall be allocated for those years for pension to UPS or a Taft-Hartley pension fund, as applicable. In years 2016 and 2017, the applicable Taft-Hartley pension plan or the UPS Pension Plan, as applicable, will receive for a pension allocation the differential between the increase to Central States Health & Welfare Plan (CS H&W) and one dollar (\$1.00)

~~to the Company Health and Welfare Plan shall be the same as the amount allocated to the Teamster Health and Welfare Plan in the Supplement, Rider or Addendum. The applicable Supplement, Rider or Addendum will reflect the appropriate agreed to increases to the Teamster Pension Plans in those Supplements, Riders or Addenda where all the employees are in the Company Health and Welfare Plan and/or covered by Section (f) of this Article. Except as set forth in Section (f) below, these increases shall be allocated as follows: thirty five cents (\$0.35) per hour to Health and Welfare in each year of the contract. The remainder of the contribution increase each year will be paid into pension.~~

~~The Employer's contribution increases to the Central States Southeast and Southwest Areas Health & Welfare Fund (CSH&W Fund) shall be increased twenty two dollars (\$22.00) per week effective August 1, 2008 and~~

~~fourteen dollars (\$14.00) per week effective on each August 1 thereafter during the life of this contract.~~

~~(iv) It is the intent of the Employer and the Union that health & welfare and pension monies will be allocated in a manner to keep wage increases uniform.~~ The increases accrued under this Article on August 1st, of each year, can only be allocated to health & welfare and/or pension except as provided within this Article. Any dispute concerning the allocation of health & welfare and pension money shall be determined and/or resolved by the Joint National Negotiating Committee.

(v) If, in accordance with a duly adopted funding improvement plan or rehabilitation plan, an IBT Pension Fund is required to issue a schedule pursuant to ERISA Section 305 (added by the Pension Protection Act of 2006) that requires contributions in excess of those contained within this Article, the Union and the Employer shall promptly meet to negotiate changes in the Agreement to generate sufficient savings to cover the cost of the increased contributions. Agreement shall not be unreasonably withheld. Once completed, the applicable Fund shall be obligated to accept the schedule as if it was the beginning of the term of a new labor agreement.

(b) Monthly, daily and hourly health & welfare and pension contributions shall be converted from the weekly rate increases in accordance with past practice.

(c) During the life of this Agreement, the Employer will continue to make applicable contributions to all IBT Health and Welfare Funds and all IBT Pension Funds (or the successor funds in case of merger of funds) for full-time and/or part-time employees in all Supplements, Riders and Addenda where the Employer was making contributions for full-time and/or part-time employees on May 1, 1982, unless stated to the contrary in this Article or changes placing these employees in UPS plans are negotiated and agreed to by the National Negotiating Committee.

(d) In those Supplements, Riders and Addenda where the Employer was providing health & welfare and/or pension benefit coverage to employees (either full-time or part-time) on May 1, 1982, the Employer will continue to provide health & welfare and/or pension benefit coverage under the Company plan(s), with funding under the related trust(s) established by the Employer for this purpose, for the life of this Agreement unless specified otherwise in the applicable Supplemental Agreement, Rider, Addendum or this Article. **However, this paragraph will only apply through December 31, 2013, as it relates to health & welfare coverage.**

(e) All contractual provisions relating to ~~health & welfare~~ and pensions shall be provided in the respective Supplemental Agreements, Riders and Addenda. **References to Company-provided health & welfare are being deleted from the Supplements, Riders and Addenda because the Company will no longer be providing medical coverage after December 31, 2013.**

(f) The agreements on Maintenance of Benefits for Teamster Health and Welfare Plans in the Western Conference of Teamsters Supplemental Agreement and in the Northern California Supplement Agreement shall continue in full force and effect during the life of this Agreement. The increase in ~~the Northern California Supplemental Agreement~~ **any Supplement, Rider or Addendum as a result of a Maintenance of Benefit increases** shall be allocated as follows: fifty cents (\$0.50) per hour to Health and Welfare in each year of the contract. The remainder of the contribution increase set forth in Section 1.(a) each year will be paid into pension. **If this hourly amount does not cover the required increases in cost required by the Health & Welfare Plans, then the remainder of the forty dollars (\$40.00) per week increase will be diverted to a health and welfare contribution, instead of being available for pension.**

(g) The Employer shall not be required to contribute to any jointly trustee health and welfare plan, consistent with the practices and rules and regulations of such plan in effect as of August 1, 2008~~13~~**13** an amount greater than the amount it contributed on July 31, 2008~~13~~**13** plus the increases required by this Master Agreement, except as may be required by law notwithstanding any language to the contrary in any Trust Agreement, Participation Agreement or similar document. The only exception to the above is the Maintenance of Benefits provision in paragraph (f) above.

(h) In the event that **there is any change in the existing** national health care legislation **or if new legislation** is enacted, the parties agree to meet and discuss any ramifications of that legislation on the provisions of this Article.

(i) UPS Part-time Pension Plan

(1) The UPS Pension Plan will be improved to provide monthly benefits for part-time employees not covered by Teamster Pension Plans as follows: The benefit formula in the UPS Pension Plan for current or future part-time employees who are participants will be increased effective August 1, 2004 to fifty-five dollars (\$55.00) for each year of past and future Credited Service to a maximum of thirty-five (35) years of Credited Service. The benefit formula in the UPS Pension Plan for current or future part-time employees who are participants will be increased solely for purposes of the monthly accrued benefit, effective August 1, 2008 to sixty dollars (\$60.00) for each year of future Credited Service to a maximum of 35 years of Credited Service. If a participant is in Covered Employment on August 1, 2008, he shall receive the sixty dollars (\$60.00) benefit formula for the entire 2008 plan year.

The total monthly service pension benefit will be equal to the following provided the employee meets the Credited Service requirement.

~~\$1,925~~ **\$2,100** for retirement at any age after 35 years of part-time Credited Service

~~\$1,650~~ **\$1,800** for retirement at any age after 30 years of part-time Credited Service

(based on ~~\$45.00~~ **\$50.00** per year of Credited Service)

(2) Part-time employees will receive one (1) year of Credited Service for seven hundred fifty (750) or more paid hours. (Six (6) months of part-time Credited Service will be granted for three hundred seventy-five (375) to five hundred (500) hours worked in a calendar year, and nine (9) months of part-time Credited Service will be granted for five hundred one (501) to seven hundred forty-nine (749) hours worked in a calendar year.) This paragraph will also be applied to determine Credited Service for all full-time employees on the payroll on August 1, 2002 who were formerly participants in the UPS Pension Plan.

(3) The Employer will be responsible for funding the UPS Pension Plan as required to provide the benefits described above and will be responsible for maintaining the plan.

(4) The UPS Pension Plan will be governed by the terms of the Plan document.

(5) Effective August 1, 2002, the Employer will grant additional years of Credited Service in accordance with the terms of the Plan to all full-time and part-time employees on the payroll on August 1, 2002, who worked for UPS after they were twenty-one (21) but were denied Credited Service solely because the UPS Pension Plan required that an employee be age twenty-five (25) or older to participate in the UPS Pension Plan.

(6) For those multi-employer pension plans with which the UPS Pension Plan does not have reciprocity, the UPS Pension Plan will execute a mutually agreeable reciprocity agreement with those plans.

(7) The Company will amend the UPS Pension Plan to allow an employee with an hour of service in covered employment on or after August 1, 2013 to become a participant on the January 1 or July 1 (whichever is earlier), after reaching age 21 and completing a 12 month period of employment beginning on their hire date, or any subsequent calendar year, in which they earned at least 375 hours of service. In addition, in order to receive any retroactive benefit service as a result of the change, the employee's primary job as of August 1, 2013 must be a part-time position. The Pension Plan will also be amended to reduce the number of hours of service required to earn a vesting year from 750 to 375. This paragraph does not change how benefit service is accrued.

(j) Long-Term Disability

(1) Full-time seniority employees will become eligible for long-term disability (LTD) after six (6) months of employment for non-occupational illnesses or injuries that last longer than twenty-six (26) weeks.

(2) Long-term disability benefits will equal sixty percent (60%) of the employee's base weekly pay to a maximum of six hundred dollars (\$600) per week for up to five (5) years. Long-term disability benefits begin when short-term disability coverage ends or after twenty-six (26) weeks from date of disability, whichever is later. **The six hundred dollars (\$600) cap shall be increased to seven hundred dollars (\$700) effective January 1, 2014 and to eight hundred dollars (\$800) on January 1, 2017.**

(3) Average weekly base pay is computed by averaging paid hours (maximum of forty (40) hours per week) each week during the last full calendar quarter the employee worked and multiplying that by the hourly rate of their base job. Weeks of unemployment in the prior quarter will not be counted in the calculation. If there were substantial weeks of unemployment, the prior full calendar quarter may be used for the calculation.

(4) The definition of disability, termination of eligibility, offsets, exclusions, limitations, claim procedures and any other related issues will be controlled by the Summary Plan Description.

(5) The long-term disability coverage will become effective on August 1, 2004 for eligible employees who become disabled after that date. However, pre-existing conditions will not affect the employee's eligibility for LTD.

(6) In those situations where a Teamster Health and Welfare Fund provides a short term disability benefit, the employee receiving such benefit shall provide the UPS National LTD Plan sixty (60) days advance notice of the estimated termination date of the short term disability. If such notice is not provided, the UPS National LTD Plan shall have the right to delay the commencement of LTD payments.

(7) Any employee receiving LTD benefits pursuant to this Plan shall be entitled to receive health care coverage in accordance with the SPD for up to twelve (12) months only.

(8) Notwithstanding any Supplement, Rider or Addendum all full-time UPS CSI employees will be provided long-term disability benefits through this Section.

(5) Eligibility for coverage for retiree and spouse begins on the first (1st) day after the employee's active

Employees already participants in the CS Plan at the date this plan is established will be immediately eligible to participate in the UPS/IBT Plan. No benefits are payable unless the participant has at least 5 years of vesting credit or has reached Normal Retirement Age while an employee. One year of vesting credit is earned for each calendar year in which the participant works

If the employee has 40 weeks of service credit for that calendar year, he shall receive one year of service credit.

(5) The Employer will be responsible for funding the UPS/IBT Plan as required by applicable law.

(6) In addition to the normal benefit provided in paragraph (2) above, there shall be a service benefit payable after twenty (20), twenty-five (25), thirty (30) and thirty-five (35) years of full-time service. The benefit for the thirty (30) year service retirement shall be \$3,000 per month regardless of the age of the retiring employee. The benefit for thirty-five (35) years service retirement shall be \$3,500 per month regardless of the age of the retiring employee. The UPS/IBT Plan will recognize full-time service in the CS Plan for determining eligibility for the benefits in this section and will offset at Normal Retirement Age the benefits accrued from the CS Plan commencing at Normal Retirement Age. If the benefit paid from the CS Plan is reduced as permitted or required by law, the amount of such reduction shall not be included in this offset.

(7) The UPS/IBT Plan will also provide eligible employees with a monthly disability benefit or lump sum disability benefit (based on age and years of service).

(8) The UPS/IBT Plan will be governed by the terms of the plan document and trust agreement, both of which are incorporated herein by reference. Any claims for benefits are subject to resolution solely through the UPS/IBT Plan administrative claims process.

Section 4. Re-allocations of Contributions/Wages

The Teamsters UPS National Negotiating Committee may re-allocate designated increases in Health & Welfare

and/or pension contributions (HWPC) and/or general wage increases (GWI) provided in this Agreement in accordance with the following rules:

1. ~~Thirty-five cents (\$0.35)~~ **Any portion** of any GWI may be re-allocated as an increased contribution to a Teamster Pension or Health & Welfare Fund. The re-allocation shall apply to all employees in a Supplement, Rider or Addendum, as applicable, provided all of the affected employees (full or part-time, if applicable) are covered by the same Pension or Health & Welfare Fund.
2. Twenty-five cents (\$0.25) of a HWPC may be re-allocated as a GWI. The re-allocation shall apply to all employees in a Supplement, Rider or Addendum, as applicable, provided all of the affected employees (full or part-time, if applicable) are covered by the same Pension or Health & Welfare Fund.
3. Once a re-allocation becomes effective, it may not be changed.
4. A specified HWPC cannot be re-allocated to a GWI if the pension fund has been certified as being in endangered or critical status (as defined in ERISA section 305 (b)(1) or (b)(2)).
5. The Employer must be notified of any re-allocation, in writing, at least thirty (30) days prior to the effective date of the GWI or HWPC.

Section 5. Substitute Health Plan

In the event the Central States Southeast and Southwest Areas Health and Welfare Fund does not maintain the benefit coverage and retiree contribution rate for retiree insurance (including spousal coverage) in effect on the date of ratification of this Agreement, the Union and Employer shall meet to determine and agree if there is a substitute multiemployer plan which will provide comparable coverage. If mutual agreement is reached to provide a substitute plan, the contribution payable by the Employer pursuant to Article 34 Section 1 (a) shall be paid to the new plan.

ARTICLE 35. EMPLOYEE'S BAIL, LICENSE, SUBSTANCE AND ALCOHOL TESTING

Section 3. Controlled Substances Testing

The parties have agreed that the procedures as set forth in Article 35, Section 3 shall be the methodology for all testing and will be modified only in the event that further federal legislation or Department of Transportation regulations require revised testing methodologies or requirements during the term of this Agreement. To the extent that a subject is not covered by this Article the appropriate regulation shall control.

Should other categories, modifications or types of testing be required by the government, the parties will meet as expeditiously as possible to develop a mutually agreeable procedure.

The provisions of Article 16, Section 5 will apply to all employees requesting enrollment in a rehabilitation program following a positive drug test. Employees may use the United Parcel Service Employee Assistance Program, a Union sponsored program, as well as any other referral service in choosing an approved program for treatment.

Section 3.1 Employees Who Must Be Tested

UPS employees subject to Department of Transportation mandated drug testing are drivers of vehicles with a vehicle weight rating over 26,000 pounds, requiring a commercial driver license (CDL). This includes

mechanics and employees who relieve for vacations or other temporary vacancies. Any employee who drives a tractor-trailer and is on the qualified feeder driver list is also subject to DOT mandated testing as provided in this Agreement.

In addition to testing mandated employees, controlled substance testing will be part of pre-qualification conditions for feeder driver employment, and those persons transferring to a feeder driver position. Individuals who are on a "bid list" for tractor-trailer employment or other similar classification type jobs are subject to being tested for controlled substances before being accepted into such a position.

Employees covered by this Collective Bargaining Agreement who are not subject to DOT mandated drug testing are only subject to reasonable cause testing as provided herein. The substances for which testing shall be conducted, and cut-off levels thereto, shall be consistent with those listed for the DOT-covered employees. This provision also applies to testing conducted pursuant to rehabilitation and after care programs.

Section 3.2 Testing

Because of the consequences that a positive test result has on an employee, UPS will employ a very accurate, two-stage testing program. Urine samples will be analyzed by a highly qualified independent laboratory which is certified by the Department of Health and Human Services (HHS). All samples will be tested according to DOT drug testing requirements. Validity testing for the presence of adulterants shall be conducted on all specimens, per HHS requirements.

Section 3.3 Screening Test

The initial test uses an immunoassay to determine levels of drugs or drug metabolites. The following initial cutoff levels shall be used when screening specimens to determine whether they are negative for these five (5) drugs or drug classes.

<u>Substance</u>	<u>Initial Test Level (ng/ml)</u>
Marijuana Metabolites	50
Cocaine Metabolites	300 150
<u>6-Acetylmorphine</u>	<u>10</u>
Opiate Metabolites	2000
Phencyclidine	25
Amphetamines	1,000 500
<u>MDMA/MDA/MDEA</u>	<u>500</u>

These substances and test levels are subject to change by the Department of Transportation as advances in technology or other considerations warrant.

Section 3.4 Confirmatory Test

All specimens identified as positive on the initial test shall be confirmed using gas chromatography/mass spectrometry (GC/MS) techniques at the cutoff values listed. The following cutoff levels shall be used to confirm the presence of drugs or drug metabolites:

<u>Substance</u>	<u>Confirmatory Test Level (ng/ml)</u>
Marijuana Metabolites (1)	15
Cocaine Metabolites (2)	150 100
Opiates:	
Morphine (3)	2000
6-Acetylmorphine (3)	10
Codeine (3)	2000
Phencyclidine	25

Amphetamines:

Amphetamine	500 <u>250</u>
Methamphetamine (4)	500 <u>250</u>
<u>MDMA/MDA/MDEA (5)</u>	<u>250</u>

- (1) Delta-9-tetrahydrocannabinol-9-carboxylic acid (THCA)
- (2) Benzoylcegonine confirmatory cutoff of 100 ng/ml.
- (3) Test for 6-AM when morphine concentration is greater than or equal to two thousand (2000) ng/ml.

Morphine is the target analyte for codeine/morphine testing.

- (4) Specimen must also contain amphetamine at a concentration greater than or equal to one ~~two~~ hundred (100) ng/ml before reporting methamphetamine positive.
- (5) **Methylenedioxymethamphetamine (MDMA) and its analytes MDA and MDEA**

In the event the initial urine test indicates a positive response the confirmatory test must be done. These substances and test levels are subject to change by the Department of Transportation as advances in technology or other considerations warrant.

Section 3.12 Rehabilitation and Testing After Return To Duty/SAP and Employer Duties

A positive test specimen as a result of a DOT pre-qualification or random test will result in a rehabilitation opportunity. An employee whose test results are reported to the Medical Review Officer by the HHS certified laboratory and who has been contacted by the Medical Review Officer or his/her designee has seventy two (72) hours to contact the Medical Review Officer to review the test results. If the review time schedule is not met, then the Medical Review Officer (MRO) may report to UPS Management that the test is verified as positive. If neither UPS nor the MRO, after making all reasonable efforts, as required by the DOT regulations, is able to contact the employee within ten (10) days from receiving the laboratory results, the test will be considered an uncontested positive test result. If the Medical Review Officer determines a specimen is positive, then the employee will have five (5) calendar days to evaluate his/her situation with an approved Substance Abuse Professional and then up to fifteen (15) calendar days to enter the rehabilitation treatment center after approval of a leave of absence as outlined in Article 16, Section 5 of the National Master UPS Agreement. UPS will follow the final recommendations of the Substance Abuse Professional as to the appropriate after-care protocol and post rehabilitation unannounced drug testing.

The employee will be permitted to return to work after the SAP has determined that the employee has successfully complied with prescribed education and/or treatment and the employee has provided a negative drug test result conducted under direct observation, as per cutoff levels contained in Section 3.3 or Section 3.4 of this Article, as applicable, and/or an alcohol test with an alcohol concentration less than 0.02. **The Employer will make all reasonable efforts to conduct all return-to-work testing, conference calls, and examinations within five (5) working days of completion of a rehabilitation program.**

It is understood that if the grievance procedure is utilized contractual time limits on disciplinary action and the employee's request for rehabilitation will be suspended until resolution of the grievance.

Substance Abuse Professional (SAP)

Each Substance Abuse Professional (SAP) must be a licensed Doctor of Medicine or Osteopathy, or a licensed or certified psychologist, social worker, employee assistance professional, or drug and alcohol counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and controlled substance-related disorders and be knowledgeable of the SAP function as it relates to Employer interest in safety-sensitive functions and applicable DOT agency regulations. In addition, the SAP shall keep current on applicable DOT

agency regulations and comply with the DOT qualification training and continuing education requirements.

The SAP is responsible for performing the following functions:

1. Conducting the initial face-to-face clinical assessment and evaluation to determine what assistance is needed by the employee to solve problems associated with alcohol and/or drug use;
2. Referring the employee to an appropriate education and/or treatment program;
3. Conducting a face-to-face follow-up evaluation to determine if the employee has actively participated in the education and/or treatment program and has demonstrated successful compliance with the initial assessment and evaluation recommendations;
4. Providing the Employer with a follow-up drug and/or alcohol testing plan for the employee; and
5. Providing the employee and Employer with recommendations for continuing education and/or treatment.

Follow-up testing shall consist of at least six (6) tests in the first (1st) twelve (12) months following the employee's return to duty. The one (1) year period may be extended as necessary by written verification of the Substance Abuse Professional. **Tests shall be conducted under direct observation.**

Employer Responsibilities

Prior to allowing an employee to return to duty, after the employee has tested positive for the presence of controlled substances or has refused to submit to a drug test, the employer shall:

- A. Ensure that the employee is "drug free," based on a drug test that shows no positive evidence of the presence of a drug or a drug metabolite in the employee's system.
- B. Ensure that the employee has been evaluated by a Substance Abuse Professional (SAP) for drug use or abuse.
- C. Ensure and confirm with the Substance Abuse Professional that the employee demonstrates compliance with all conditions or requirements of a rehabilitation program in which he or she participated.

Section 4.11 Discipline

It is agreed that an employee will have ~~a one (1) time rehabilitation opportunity~~ **opportunities** for alcohol abuse as outlined in Article 16, Section 5, except as provided under Random Testing below. ~~There shall also be a one (1) time rehabilitation opportunity for substance abuse.~~

ARTICLE 37. MANAGEMENT EMPLOYEE RELATIONS

Section 1.

(a) The parties agree that the principle of a fair day's work for a fair day's pay shall be observed at all times and employees shall perform their duties in a manner that best represents the Employer's interest. The Employer shall not in any way intimidate, harass, coerce or overly supervise any employee in the performance of his or her duties. **The Employer shall not retaliate against employees for exercising rights under this Agreement. In considering any grievance alleging retaliation for exercising his rights under the Agreement, the severity and timing of the Employer's actions that modify an employee's work assignment or reprimand employees shall be relevant factors to a determination of motivation.** The Employer will treat employees with dignity and respect at all times, which shall include, but not be limited to, giving due consideration to the age and physical condition of the employee. Employees will also treat each other as well as the Employer with dignity and respect.

(b) It is the policy of the Employer to cooperate with a package car driver who desires to be relieved of overtime, subject to the understanding that such package car driver will complete his/her assignment, and subject to the provisions below.

An employee who desires to be relieved from overtime on a particular day must make a written request on a form furnished by the Employer. Such a request must be submitted no later than the start of his/her shift on the fifth (5th) calendar day preceding the day being requested. A signed copy of the request form stating approval or disapproval shall be returned to the employee by the end of the employee's next working day. Such request shall be granted or denied in accordance with the terms of this sub-section. If a request is denied on the above referenced form, the employee shall receive a two (2) hour penalty payment at his/her straight time rate if the request should have been granted at this time based on the criteria set forth in this sub-section. This two (2) hour payment shall also apply if the Employer approves the request and later informs the employee he/she cannot be relieved of overtime, provided the request continues to meet the criteria set forth in this sub-section.

In addition, if an employee's request is granted but the Employer fails to adjust the driver's dispatch so as to provide an amount of work that can reasonably be completed within eight (8) hours which then causes the driver to work in excess of eight and one-half (8.5) hours to complete his/her route, the driver shall be entitled to a two (2) hour penalty payment at his/her straight time rate. No penalty shall be due if the employee exceeds the eight and one-half (8.5) hour threshold as a result of events beyond the Employer's control.

The Center Manager and the Steward shall process such requests based on seniority. The Employer shall allow a minimum of ten percent (10%) of the package car drivers worked in any Center off on a daily basis. No package car driver will be granted more than two (2) requests per month. It is understood that to accomplish the above the Employer may need to provide an earlier start time. ~~It is further understood that the Employer is not obligated to let more than one (1) driver in a loop off at one time.~~ This subsection applies regardless of whether the driver has opted in or out pursuant to the provisions of subsection (c) below. Such requests shall not be submitted during the months of November and December.

(c) The Employer shall make a reasonable effort to reduce package car drivers' workdays below nine and one half (9.5) hours per day where requested. If a review indicates that progress is not being made in the reduction of assigned hours of work, **(i.e. the package driver has worked more than 9.5 hours on three (3) days in a workweek)**, the following language shall apply, except in the months of November and December:

The affected regular package driver may make such a request to be added to the "9.5 Opt-In List" effective on the first day of his/her workweek after making the request. The driver shall notify the manager and steward of his/her desire to be added to the List. The request must be made within the time limit for filing a grievance in the applicable Supplement, Rider or Addendum. Once the driver has signed the List, he/she shall remain on the list for five (5) months, except for the period of time specified in the prior paragraph. Such requests may only be made for the five (5) month periods beginning on each January 1 and June 1 of each year. No later than thirty (30) days prior to each January 1st and June 1st, each package center will post a "9.5 opt-in/opt-out list" for the applicable five (5) month period. Each full-time seniority driver in the center must make an election to opt in or opt out of the 9.5 language in this subsection no later than ten (10) days prior to the applicable five (5) month period. ~~Those full-time drivers who choose to opt-out of the 9.5 language in this subsection will have no right to file a grievance alleging excessive overtime either under this subsection or under an excessive overtime provision in the Supplement, Rider or Addendum.~~

Employees within the full-time driver classification shall be eligible for the protection of this Section provided: (1) the employee covers a route for a full week; (2) the employee bids or is assigned to cover a route for a full week but is prevented from completing that bid or assignment due to reassignment by the Employer; or (3) an employee with four (4) years of seniority as a full-time package driver.

Drivers who choose to opt-in on the 9.5 list shall have the right to file a grievance if the Employer has continually worked a driver more than nine and one half (9.5) hours per day for any three (3) days in a workweek. **The Company will not assign excessive overtime on the two (2) remaining days within the**

workweek in order to retaliate against a driver for opting onto the 9.5 List.

If a driver is paid a penalty under this subsection more than three (3) times in a single five (5) month opt-in period, then the District Labor Manager and Business Agent will meet with the Center Manager, the steward and the driver to ensure future compliance under this subsection. If any further penalty is paid on this employee during the five (5) month period, a meeting shall be scheduled with the above parties and the Co-Chairs of the applicable Supplemental panel to determine what actions are necessary to ensure compliance.

If a grievance under this provision (or a grievance under any excessive overtime provision of a Supplement, Rider or Addendum) cannot be resolved at the local level, including Supplemental Panels, where applicable, the Union may docket the grievance to be heard by the "9.5 Committee." This Committee shall be composed of two (2) Union and two (2) Employer representatives. The 9.5 Committee shall have the authority to direct the Employer to adjust the driver's work schedule. Deadlocked cases shall be referred to the Employer's Vice President of Labor Relations and the Co-Chair of the Teamsters United Parcel Service Negotiating Committee for final and binding resolution.

The Employer's Vice President and the Union's Co-Chair shall have the discretion to grant the grievant triple time pay for hours worked in excess of nine and one half (9.5) hours per day and/or to order the Employer to adjust the driver's work schedule. In the event the Employer's Vice President and the Union's Co-Chair cannot resolve a grievance, either party may refer the matter to arbitration in accordance with Article 8. In the event the position of the Union is sustained, the arbitrator shall have the authority to impose any remedy set forth in this Section.

If there is a deadlocked grievance by the "9.5 committee" the Co-Chairs of the National Negotiating Committee may require a review of the adequacy of the Company's staffing in the center in which the grievance was filed. In the event the parties cannot resolve a dispute over whether excessive overtime in violation of this Section resulted from inadequate staffing in the center or other causes, such as the temporary unavailability of drivers, either may refer the matter to arbitration in accordance with Article 8. If the position of the Union is sustained, the arbitrator shall have the authority to award any remedy set forth in this Section including back wages at the appropriate rate of pay to the employee(s) adversely affected, as well as appropriate progression credit. The back wages shall be equal to what the employee(s) would have earned as a package driver at the applicable daily guarantee versus what he actually earned.

In addition, the Union Chair of the National Negotiating Committee may, at any time, request a meeting with the Employer's President of Labor Relations to review the adequacy of the Company's staffing in any center having excessive 9.5 grievances deadlocked at the local level panel. If the dispute cannot be resolved, either party may refer the matter to arbitration in accordance with Article 8, Section 7. The next arbitrator in rotation on the Eastern Panel shall be assigned the case. The arbitrator shall have the authority to award any remedy specified in the paragraph above.

The 9.5 committee shall also have the authority to ~~adopt guidelines~~ to ensure that this Section is implemented in such a way as to balance the Employer's need to protect the integrity of its operations with an employee's legitimate need to avoid excessive overtime.

The provisions of this Section 1(c) shall supercede any language on "9.5" in the Central Region Supplement.

(d) No employee shall be disciplined for exceeding personal time based on data received from the DIAD/IVIS or other information technology.

ARTICLE 38. CHANGE OF OPERATIONS

Section 1.

(a) The Employer agrees that prior to any change in its operation that will result in a change of domicile and/or possible layoff of seniority employees, it shall notify the affected Local Union(s) in writing **with the specific details and information then available** and then meet jointly with them to inform them of the proposed changes and to resolve questions raised in connection with the proposed change. **The information will be provided at least seven (7) days prior to the meeting.** During this joint meeting the Employer and the Union shall reduce to writing all agreed upon issues and both parties shall sign the written document in acknowledgement of such agreement. The parties shall also reduce to writing all unresolved issues, if any, and they shall be referred directly to the appropriate Regional Change of Operations Committee. This meeting shall be completed where practical at least forty-five (45) days prior to the proposed change. The change may not be implemented until the forty-five (45) days' notice is provided and the meeting is completed unless the operational change is dictated by emergency conditions. The Union shall not unreasonably delay the scheduling or completion of the requested meeting. Any unresolved issues reflected in Section (c) below, which have been reduced to writing, will be resolved pursuant to that Section.

(b) Any agreed to change of operations reached by the Local Union(s) and the Employer shall be reduced to writing and filed with the Joint National Change of Operations Committee. It is understood that a regional area representative of the affected region(s) shall sit on the Joint National Change of Operations Committee.

(c) A Joint Change of Operations Committee will be established in each Regional area and will resolve issues arising out of the proposed change of operations. The Committee will resolve issues involving seniority application, health and welfare, and pension coverage and layoff questions for employees who are involved in the change. All affected parties will convene and attend the Regional Joint Change of Operations Committee meeting prior to the scheduled implementation date to resolve these issues.

If the Regional Joint Change of Operations Committee is unable to resolve the issues, such issues shall be referred to the Joint National Change of Operations Committee for resolution. If the issues reflected in this Section are not resolved by the Joint National Change of Operations Committee, they shall be submitted to an expedited arbitration using the arbitrators on the National Panel for that area.

The Committee which decides the issues, as described above, shall retain jurisdiction for a period of twelve (12) months following the change of operations decision. The decision of the Committee shall be final and binding.

Unless specifically covered in individual Supplements, Riders or Addenda, the following shall apply:

1. Whenever a center is closed and the work is transferred to or absorbed by another center, the affected employees will be entitled to follow their work and their seniority shall be dovetailed at the new center.
2. Whenever a center or hub is partially closed and the work of package drivers and all other regular employees, part-time and full-time, excluding feeder drivers, is transferred to or absorbed by another center, the affected employees may either follow their work and have their seniority dovetailed in the new center or be allowed to exercise their seniority in their present center and displace the least senior employee in their respective classifications. If any of the employees whose work is transferred elects not to follow his/her work, then he or she shall have the same rights as the remaining employees on the seniority list from which the work was transferred to bid the work being transferred. Those employees who follow the work shall have their seniority dovetailed in the new center.
3. In a Change of Operations affecting feeder drivers, the following language will apply: Whenever a center is partially closed and the feeder work is transferred to or absorbed by another center, all feeder drivers, in seniority order, will have the option of following the available work and have their seniority dovetailed in the new center or be allowed to exercise their seniority in their present center, and take whatever jobs become open as a result of other employees following the work or taking a layoff. If a senior feeder driver elects to take a job which has been transferred out, the displaced employee(s) will fill the vacated job(s) by seniority until the next

bid.

(d). The language contained in Section 1(a) shall be applicable to the Employer's implementation of "satellite" facilities, provided, however: (1) the issues subject to discussion shall not be limited by paragraph (c) of this Section and, (2) in the event the issues cannot be resolved by the Employer and the Local Union, or, subsequently, in accordance with the established local area practice, the open issues may be referred to the Vice-President of Labor Relations and the Package Division Director, or their designees. If no resolution is reached, all outstanding disputes shall be submitted to an expedited arbitration to determine if the Employer has violated any provisions of this Section or if the change will result in a violation of any other provision of the collective bargaining agreement. The expedited arbitration will be handled by one of the arbitrators on the National Panel for that area.

ARTICLE 43. PREMIUM SERVICES

Section 1. Job Protection

From time to time, the Employer must offer special new premium services to its customers in order to protect existing jobs and further the mutual goal of increasing the number of bargaining unit jobs. The Employer shall utilize bargaining unit employees to perform the feeder movement work of such new premium services, which work shall be considered to be bargaining unit work. The provisions of this Article shall also apply to all packages moved by airplane and to the Employer's "city pairs" service, where it is necessary for the Employer to implement the service to meet its competition. No feeder driver will be laid off or displaced from a feeder classification as a direct result of any provision in this Article.

In implementing such new premium services, the Employer shall utilize the following options to complete the ground movement of the customers' packages in the following order:

- (1) If the Employer's existing feeder network can meet the Employer's time and service needs, that network will be used first.
- (2) When the existing feeder network will not adequately meet the Employer's time and service needs, the Employer agrees to establish a new driver classification, which shall be called a premium service driver. This driver will be typically used to move loads to and from ground and air hubs that are more than two hundred fifty (250) miles apart. Wherever practical, the driver will start at approximately the same start time each day and make two (2) round trips per week to a scheduled sort location. Such work must provide the driver a minimum four (4) day work week.

Benefits provided will be those of regular full-time feeder drivers. The driver will be provided the opportunity to work ten (10) hours per day four (4) days per week. Drivers will also be provided with lodging and shuttle service at the away destination. When jobs are created that have less than ten (10) hours of work, the premium service driver will be paid at the feeder rate of pay and be allowed to work locally in either origin or destination city to fill out his/her workday. In regards to the premium service drivers, since some hubs work on Friday and some on Sunday, the Employer may move the fifth (5th) day loads via a TOFC pursuant to Article 26.

- (3) If the Employer cannot accommodate its time and service needs under (1) and (2) above, the Employer shall have the right to propose the use of bargaining unit sleeper teams to the Local Unions and the Joint

Premium Service Review Committee as set forth in Section 4 below. The wages and other economic terms of employment for such sleeper teams shall be as set forth below.

The method of measurement for mileage under this provision will be Microsoft Streets and Trips mapping or similar successor software.

For the Employer:

Memorandum of Understanding

Teamsters United Parcel Service Negotiating Committee (Union) and United Parcel Service, Inc. agree that pursuant to the last paragraph of Article 34, Section 1 (a)(v), the maximum amount of a general wage increase that will be re-allocated to a pension contribution is thirty-five cents (\$0.35). The parties will not implement any reallocation of GWI to pension contributions in excess of thirty-five cents (\$0.35) without mutual agreement by the parties and subject to it being ratified by the affected employees.

Memorandum of Understanding

United Parcel Service, Inc. (Ohio and New York Corporation) and Teamsters United Parcel Service National Negotiating Committee agree that under Article 26 the Employer may not subcontract feeder movements to outside trucking contractors solely because it is less expensive.

Memorandum of Understanding

Teamster United Parcel Service Negotiating Committee (Union) and United Parcel Service, Inc. agree that it was their mutual intent that if a part-time employee completes his assigned duties and leaves work in less than three-and-one-half hours he shall be considered to have forfeited the right to his daily three-and-one-half hour guarantee. This shall not affect an employee's right to a minimum three (3) hour daily guarantee.

Memorandum of Understanding

United Parcel Service, Inc. (Ohio and New York Corporation), as a demonstration of its commitment to maintaining jointly administered Teamster pension benefit plans, and to enhance the long term stability of pension coverage for its employees represented by Teamster Local Unions, agrees that for a period of ten (10) years from the effective date of the National Master Agreement, it will not solicit any signatory Local Union to change pension plans, either by proposing such change during future negotiations of the National Master Agreement or by encouraging its employees to advocate withdrawal from participation in their current pension plan.

LETTER OF AGREEMENT

United Parcel Service, Inc. ("UPS" or "Company") and the Teamsters UPS National Negotiating Committee ("Union") agree that the following will apply to Article 26, Section 4 of the UPS National Master Agreement:

- (2) In the event any dispute referred to the chairs pursuant to Article 26 Section 4,(3) cannot be resolved, the matter shall be subject to expedited arbitration process which will allow the grievance to be heard within sixty(60) days of filing. The first arbitrator, in alphabetical order, on the East Panel who is available within the sixty (60) day period, will be selected to hear the case. In the event the arbitrator finds that UPS has expanded Surepost beyond the scope of Article 26, Section 4 without first obtaining the consent of the Union, he shall have the authority to fashion a remedy based on the nature and extent of the violation, including issuing a cease and desist order requiring UPS to terminate the expanded service.**

Memorandum of Understanding

United Parcel Service Inc. (UPS) and the Teamsters UPS National Negotiating Committee (Union) provide the following in order to detail the benefits available through Central States Health & Welfare plan. Nothing within this Memorandum of Understanding shall affect the Central States Health & Welfare Trustee's right to modify benefit levels.

1. The base benefits for all employees covered by the Central States Health & Welfare Fund shall be the C6 schedule.
2. Enhancements shall be made in the C6 plan in the following areas for all employees who will be covered by the Central States Health & Welfare plan for the first time effective January 1, 2014: Phased in deductible; reduced co-pays for medical office visits, physical exams and well child care and mail order prescription drugs.
3. For those employees on the payroll on July 31, 2013, who will become Central States Health & Welfare participants on January 1, 2014, and are not covered by the Central or Southern Conference Supplemental Agreements, the Company will also enhance the retiree eligibility rules.
4. Short term disability, life insurance and dental benefits will first be provided through Central States Health & Welfare. UPS will cover the differential between what Central States Health & Welfare currently provides and what the employee had as a benefit prior to January 1, 2014.
5. Details concerning any of the above benefits shall be available from the Central States Health & Welfare Plan.
6. In order to cover the costs of early retirement eligibility, for full-time employees who are outside of the Central and Southern Conference Supplements but are transitioning to the CS H&W Plan, the August 1, 2013 contribution increase provided in Article 34, Section 1(a)(ii)(1) shall be seventy cents (\$0.70) instead of fifty cents (\$0.50) of the one dollar (\$1.00).

Memorandum of Understanding

United Parcel Service, Inc (UPS) and the Teamsters UPS National Negotiating Committee (Union) agree to the following in connection with Article 34 of the 2013-2018 National Master Agreement:

In recognition of the request from the Western Conference Negotiating Committee and Local Union 177 to evaluate and prepare a proposal to provide medical coverage for employees within their jurisdiction rather than having them transition to the Central States Health & Welfare Plan (CS H& W), the parties agree that any such proposal will be considered by the parties if presented before November 1, 2013. Any such plan must provide benefits equal or superior to those provided by the CS H & W Fund for a contribution rate that does not exceed that paid to CS H&W Fund. The proposal shall be subject to approval of the Co-Chairs of the Joint Negotiating Committee.

ARTICLE 43 – PREMIUM SERVICES COMMITTEE

Guidelines for Scheduling and Start Up of New UPS Mileage Layover, City Pair, and Sleeper Team Drivers

1. No Feeder Driver will be laid off or displaced from the Feeder Classification as a direct result of the implementation of a Premium Service Job.
2. If the Employer's existing Feeder Network can meet the Employer's time and service needs, that network will be used first.

In the event the Employer proposes to implement either a mileage layover, or sleeper team run in accordance with the provisions of section 1 above, the run must first be reviewed and approved by the affected Local Union(s). Such approval shall not be unreasonably denied.

After approval by the Local Union(s), the accommodation shall be submitted to the Joint Premium Service Review Committee for review.

The Employer may also submit the accommodation to the Committee for review in the event approval is denied by the Local Union(s).

No such accommodation shall be implemented without the approval of the ~~Parcel and Small Package~~ Division Director ~~of~~ or the General President's designee.

Approval shall not be unreasonably denied.

Any run that has been approved and is changed such change must be reviewed with the Local Union(s) involved.

City Pair (mileage turn) drivers will be paid by the actual miles driven between selected UPS locations which are more than 250 miles apart.

City Pair (mileage turn) drivers shall be scheduled for 5 working days as outlined in the applicable supplement, rider or addendum.

Layover drivers will be paid by the actual miles driven between selected UPS locations, which are typically more than 500 miles apart.

Mileage jobs not scheduled to equal ten (10) hours of pay will be filled in with local hourly feeder work in the following order:

1. Local feeder or CPU/TDP work at origin hub or center.
2. Shifter work at origin work location.
3. Layover jobs not scheduled to equal ten (10) hours per day, may be supplemented with an additional day of work at the regular hourly rate in an effort to provide forty (40) hours of work weekly. When this occurs, the layover job will not be subjected to the requirement of providing hourly work to equal ten (10) hours of pay.
4. Destination local work will be the last consideration.

Holidays, personal holiday, paid sick days, funeral leave and jury duty for city pair (mileage turn), layover and sleeper team drivers will be paid in accordance with the applicable supplement, rider or addendum. The layover and sleeper team drivers will be compensated for no less than forty (40) hours of work in a holiday workweek. These holidays will be paid at ten (10) hours straight time pay for mileage drivers who are scheduled four (4) days a week, ten (10) hours a day **if the holiday falls on a day the employee is normally scheduled to work.** **When the holiday falls on a non-scheduled day, the employee will be paid in accordance with the applicable supplement, rider or addendum.**

When the city pair (mileage turn), layover and sleeper team drivers are required to work on a holiday, the driver will be paid at the appropriate holiday rate under the applicable supplement, rider or addendum.

City pair (mileage turn), layover and sleeper team jobs will be bid among regular origin feeder jobs as per local procedures and work rules.

Jobs not selected in normal top down seniority order will be assigned from the bottom up as per normal local work rules. As per Article 43, Section 2(1)(a).

Efforts to pre-connect city pair (mileage turn), layover and sleeper team driver's tractor/trailer units at the local origin will be made at both the start and the finish of the run in a regular location on the lot.

Pre-trip, post-trip inspection start and finish shall be part of the applicable mileage rate.

"It is the intent of the parties to make the driver whole for all justified delay time, such as waiting for late loads, unscheduled on-property work, accident delay or on-road equipment breakdown. Any disputes will be referred to the Joint Premium Service Committee."

Unless authorized otherwise by management, delays will commence at the scheduled departure time.

Mileage drivers are not paid for traffic delays when mileage is recorded within the delay except as follows:

On major highways, traffic delays will commence when a mileage driver's speed is reduced to a complete stop and then the driver continues to move at a speed less than fifteen (15) miles per hour. The delay would continue until the tractor reaches a speed of fifteen (15) miles per hour for a least one (1) consecutive minute. Traffic delays must be fifteen (15) minutes or greater and will be paid back to the first minute.

It is understood in extreme traffic delay cases, delay pay will not be unreasonably denied.

While this section clearly entitles the Team Drivers to be made whole for all justified delay time such as waiting for late loads this language applies only to sleeper cab planned runs that have been awarded through the appropriate applicable supplemental, rider or addendum provision.

When sleeper team runs require waiting time at the furthest point, such waiting time may be non-paid, but not to exceed two (2) hours. **The driver will be paid from the actual arrival time to the extent that an early arrival is not the fault of the driver. Each arrival at the home domicile will reset the furthest point.**

Upon arrival at the furthest point, the Company will have the option of providing suitable lodging of the duration of any wait time. Drivers who are provided with lodging will be in a non-pay status not to exceed eight (8) hours or until placed back on duty by the Company.

The Company may schedule a maximum of ten percent (10%) of the total approved network sleeper teams nationwide up to ten (10) hours in non-pay status at the furthest point. The Company will not unnecessarily create these types of runs or excessively schedule these runs in any one (1) Local Union. Also, the Company must have a specific business purpose to schedule such a run as well as follow the approval process set forth in the Article 43 Guidelines on any newly created runs as of March 27, 2013.

Waiting time at intermediate stops will be handled in accordance with **the** applicable local supplement, rider or addendum.

Delays of fifteen minutes or more will be paid back to the first minute, at the applicable local hourly feeder rate for both team drivers and a single person driver that is on a layover run.

“Chain-up” time will be paid to both team drivers and a single person driver that is on a layover run in the States where it is required.

City pair (mileage turn), layover and sleeper team drivers will be paid the applicable feeder hourly rate if ~~dispatched (i.e. via) off of his/her mileage run while en route to the final destination~~ **after a diversion occurs from the point of leaving the main highway to the facility and returning to the main highway.** Any such re-dispatch will not displace any bid feeder work.

Mileage Determination:

Sleeper Team drivers shall be paid for the scheduled miles that they drive, on a point-to-point basis, over the routes driven. The method of measurement for mileage under this provision will be Microsoft Streets and Trips mapping of similar successor software. If an extension or diversion occurs, the drivers would be paid the scheduled miles using the same methodology as above.

Fuel and Wash will be handled in the following manner:

There shall be a set fuel/wash allowance of thirty (30) minutes when a fueling event is scheduled at a non UPS facility or required in an emergency situation.

However, when sleeper teams are scheduled to fuel/wash at UPS facilities other than those designated as an intermediate stop, those stops which utilize a staging area outside of the facility the fuel/wash delay will start at the point of uncoupling and finish when re-coupling is completed. If uncoupling and re-coupling is necessary within a facility, a team will commence being paid upon entering the facility and finish upon exiting. If uncoupling is not necessary, teams will be paid a set fuel/wash allowance of forty (40) minutes.

Re-route:

A re-route occurs when a sleeper team is taken off their scheduled path due to weather, road closure, accident, etc. When a team is re-routed to other comparable roadways, the team's additional miles will be compensated at the applicable mileage rate of pay. If a mileage driver is re-routed to a non-comparable main highway, he will be paid at the applicable hourly rate of pay.

Extension:

An extension occurs when an exception such as inclement weather, breakdown, traffic delay, etc. requires a sleeper team to be extended beyond their furthest point. These miles will be paid at the regular mileage rate of pay.

Shuttle service to a sanitary hotel and lodging expenses will be paid for, or provided by, the Employer.

It is understood that supplemental language, regarding impassable highways, shall continue to apply. If a mileage driver pulls doubles any part of his/her day, he/she will be paid the doubles rate for the entire day. Double forty (40) foot trailers will be categorized the same as triples.

For Sleeper Team Drivers, the greatest number of trailers actually pulled will be used for compensating all legs from domicile to return to domicile. Each turn at domicile will reset the trailer compensation rate.

Applicable wage rates **are** listed under Article 43 and apply to all drivers. There is no wage progression for full-time package car and feeder drivers hired on or prior to August 1st, 1997.

In the event city pair (mileage turn), layover and sleeper team mileage drivers are offered work on a regular scheduled day off from his/her workweek, the following shall apply:

1. Mileage drivers who work on their days off shall be paid the applicable feeder premium rate of pay in his/her Supplemental Agreement.
2. Mileage drivers scheduled for four (4) runs at ten (10) hours a day – When the drivers work on the fifth (5th) punch, such drivers shall be paid the applicable premium rate of pay in his/her Supplemental Agreement for the sixth (6th) day of work.
3. Mileage drivers scheduled for four (4) runs at ten (10) hours a day – When the drivers work on the sixth (6th) punch, such drivers shall be paid the applicable premium rate of pay in his/her Supplemental Agreement for the seventh (7th) day of work.
4. **Sleeper team drivers who work on their first (1st) scheduled day off will be paid at the applicable premium rate of pay as a sixth (6th) day of work in accordance with his/her Supplemental Agreement. Any subsequent days worked thereafter within their scheduled workweek will be paid as a seventh (7th) day of work in accordance with his/her Supplemental Agreement.**

A premium service layover and sleeper team driver equals in four (4) days the same benefits as a five (5) day hourly driver.

Hourly work performed **at the beginning or** end of a mileage run shall be paid at the applicable hourly feeder one and one-half (1 ½) rate of pay or the applicable premium rate **of pay** in the driver's Supplemental Agreement. **This would include mileage runs that may have multiple beginnings and endings at the home domicile.**

Subsistence allowance shall cover the cost of showers; however, where practical and when possible, UPS may provide a shower at the destination facility.

The cost of fees for bridges, turnpikes, expressways and weigh stations shall be paid by the Employer.

Each driver will be issued two (2) sheets, two (2) pillow cases, and one (1) blanket each year, provided however, that if a driver requests a replacement set of sheets, pillow cases, and blankets because of the material being worn out prior to one (1) year, such request will not be unreasonably denied by UPS. Laundry service shall be paid by the drivers.

Planned mileage runs must be bid with designated work days and days off (i.e. four-day runs and five-day runs)

Mileage drivers shall be paid the applicable mileage rate of pay for all miles driven.

Each sleeper team driver will receive subsistence allowance of twenty-five dollars (\$25.00) for every one-thousand (1000) miles driven. Miles driven under one-thousand (1000) each work week shall be adjusted within a thirty (30) day period. For example, three-thousand, five-hundred (3,500) miles in a week, five-hundred (500) miles of the total miles driven will be prorated.

VACATED SLEEPER POSITION SELECTION

Each Local Union may elect to follow this procedure for the replacement of the senior driver work assignment or continue the practice that presently exists in their Local Union area. In the event the senior driver (A driver), of a bid team permanently vacates the team for any reason, the junior driver (B driver), will become the senior (A driver), for that team for the purpose of selection of his/her replacement. The selection will be in accordance with Article 43, Section 2 (1) (a) of the National Master Agreement.
