

# Members Unite at Contract Kickoff

**T**eamsters from Rhode Island Hospital packed the Union Hall to kick off our Campaign for a Fair Contract on Oct. 18.

Employees spoke out about job security, fair wages, safe staffing, harassment, retirement security, and other issues.

Members voted to approve a Bargaining Platform and the Negotiating Committee that will bring our issues to Hospital management starting on Oct. 21.

To win a good contract, management needs to see we are all concerned about these issues and united for a fair contract.

We have set up a Teamster Contract Hotline. It will be updated whenever there is contract news to report.

The Contract Action Team will also pass out bulletins to keep members updated.

If you can help pass out updates in your work area, talk to a Liaison. Together, we'll keep everyone informed & united for a fair contract.

Wear your Contract Unity button and show your support.

Helene Macedo & Norman Farias From UNAP Show Their Support

This sign says it all!

Members speak out for Fair Wages and Respect.

## It's Your Contract. Stay Informed.

- **Text Contract to 313131** to get contract updates by text message.
- **Sign up for email updates** at [www.teamsterslocal251.org](http://www.teamsterslocal251.org)
- **Like us on Facebook** at Good Jobs & Quality Care at Lifespan/RI Hospital
- **Call the Contract Hotline at 888-837-4536** for contract updates
